KEEPING YOU POSTED IN THE ELKHORN

PRESIDENT'S REPORT

I am not as well written as past presidents and/or newsletter authors, and if you couldn't tell, I am also a bit of a procrastinator. I have been thinking about the information that should be included in this newsletter literally for months. I finally gave up and have decided to do my best. (I am willing to consider any offers for help with writing this newsletter.)

I would like to personally thank all previous and current volunteers and board members for their participation and help. Without volunteers, this would organization would not run at all.

CALL FOR HELP

We need volunteers for Board Members. We will always have at least two openings at each annual meeting. Please volunteer to help run our EROA Association. Nominations are currently being taken for the 2013 elections.

MEETINGS AND MINUTES

Rather than using paper and extra postage for putting the minutes in the newsletter, I am going to ask that you please visit our website:
<http://elkhornowners.org/home.html>

The annual meeting will be held May 26, 2012 at the Jefferson Community Center at 10:00 am. Please attend.

MEMBER'S PICNIC

Do you enjoy the annual member's picnic in July?

We are in **danger** of losing that picnic. Jean, who has been our **super, fantastic, wonderful coordinator** for the past several years, has informed us that she will not be able to help us. We need volunteers to organize, plan, cook, set up, and take down, etc all the functions for the pot luck picnic.

Water Augmentation Update

The water augmentation issues are progressing and we will keep you up to date when the resolution has been reached.
